EDUCATION

Education is one thing,
That doesn't go waste,
It is the thing,
Not learnt in haste,
Without playing anything,
It fills our mind with sight,
To know what is wrong,
And what is right,
We learn to respect,
We learn to spell.
Say good words,
And always behave well,
Education is a salt, Education is a spice,
Without any price,
Without Education we would be a useless person,
Who lives in dark even in the presence of sun.
